# HP Color LaserJet Professional CP5220 Printer series

Cover all your colour business printing needs from postcards to oversize documents, with this versatile and affordable A3 desktop printer. Get superior print quality with HP ColorSphere toner, fast speeds and ease of use, with unrivalled reliability.

For small workteams from 3-15 users in unmanaged environments in small and medium sized businesses, who need a versatile printer for all their printing needs, from spreadsheets, marketing materials and client presentations to oversize documents.

#### Handle all your business printing with this affordable, versatile A3 colour printer.

Print everyday business documents as well as wide-format projects, and save money by printing colour marketing materials in house. Enjoy exceptional versatility: print from postcard-size up to poster-size and on a variety of paper types including plain, premium and glossy and weights up to 220 gsm. Handle big jobs easily with an expandable input capacity: from 350 sheets standard with 100-sheet multipurpose tray and 250-sheet tray, up to a maximum of 850 sheets with an optional 500-sheet tray.

# Achieve consistently high-quality output with HP ColorSphere toner on a range of business documents.

Get sharp, black text and vibrant colour: Original HP cartridges with HP ColorSphere toner deliver consistent, professional quality results on a range of documents. Achieve superior print quality at high speeds of up to 20 ppm black and colour A4. Start fast and finish sooner with Instant-on Technology which provides a first page out in less than 18 seconds from low-power mode. See amazing results with HP ImageREt 3600, image resolution technology that creates smooth colours and sharp images.

#### Simple to use, share, and maintain with an intuitive control panel and easily replaced supplies.

Easy to use – an intuitive control panel shows clear device status communications. Connect your printer directly to a computer with the High-speed USB 2.0 port and cable. Easily connect to a network and share resources among up to 15 users <sup>1</sup> using built-in Fast Ethernet 10/100 Base-T networking. Minimise printer interaction with easy-to-replace all-in-one print cartridges and convenient front-door supplies access. Time-saving tools include HP SureSupply<sup>2</sup> and HP Easy Printer Care Software.

## Product walkground

#### HP Color LaserJet Professional CP5225dn Printer shown

- 1. 250-sheet top output bin
- 2. One-door access to the easy to-install print cartridges
- 3. 250-sheet input tray 2 with close-assist
- 4. Intuitive control panel with two-line LCD display
- 5. 100-sheet multipurpose tray with long paper extension handles a variety of special papers
- 6. Illuminated front-access On/Off switch
- 7. 192 MB memory expandable to 448 MB, and a 540 MHz processor
- 8. Built-in Fast Ethernet 10/100 Base-T networking with IPv4/IPv6 allows up to 15 users to easily share the
- 9. Hi-Speed USB 2.0 port for direct connection to printer
- 10. In-line (one-pass) print engine ensures reliable, accurate print quality
- 11. Built-in automatic two-sided printing

## Series at a glance

# **HP Color LaserJet Professional CP5225 Printer**

- Print speed of up to 20 ppm black and colour
- ImageREt 3600
- 600 x 600 dpi effective output quality
- 192 MB
- expandable to 448 MB via one open DDR2 DIMM slot
- 540 MHz processor
- standard input capacity of 350-sheets with one 100-sheet multi-purpose tray 1 and 250-sheet input tray 2 plus optional 500-sheet tray 3

#### **HP Color LaserJet Professional CP5225n Printer**
